MEETING OF THE CHAMBER OF COM-MERCE.—An unusual large meeting of mer-chants assembled yesterday at the Chamber of Commerce, Mr. John W. Terrass in the chair. Several merchants were admitted as members. The special committee to whom was referred the matter of the freight blockade reported as follows:

Nasivitles, March 14.—To the Chamber of Commerce: We respectfully report that we have had a second interview with the counsel employed against the Nashville and Chattanoogs railroad, in relation to our past difficulties in getting goods freighted over said road, and are advised that our soonest and most effectual remedy for the removal of the railroad connections, is to be obtained through the city corporate authorities, who, through their attorney, have promised us their co-operation, and that we recommend and request the City Council to units that portion of the city embracing said connections to the corporation, at the NASHVILLE, March 14. To the Chamber of Cot recommend and request the city embracing said connections to the corporation, at the sailest possible date. And further, that the late practice of discrimination in favor of through freights is a plain violation of our rights at law, and subjects said read, in each and every instance, to a fine of not less than \$1,000, nor more than \$5,000, (one-half to the State and the other half to the party saing), for every violation, and they have not the right to transport any goods whatever over said road while they refuse the same to Nashville merchants, and for all delays during the past ten days when freights from Johnsonville have been passing daily, they have made the road liable as above.

2. We, therefore, recommend that each and every merchant who has been aggrieved by the refusals and delays of the past two weeks uring a suit against said Nashville and Chattanooga railroad, without delay, through the regularly employed attorneys of the Chamber of Commerce, the Honorables Niell S. Brown and Join S. Brien who advice that the law is so plain that none need

And further: That the Chamber of Co nities, they will come forward promptly to her aid, and to share with her the Mono and the profits of so noble an enterprise. There are perhaps a few rich men in and near Nashville, holding city and suburban property to the amount of hundreds of thousands, who may bluntly refuse to give one dollar to save Nashville. Well, we can only say that, we are glad that God wil

2. Remoterd, That we demand of the Nashville and Chattanooga Railroad to furnish to us hereafter the same through rates to all Southern markets as contained in their accepted bill of lading from St. Louis, deducting the cost from St. Louis to Nashville, thereby putting us on an equal footing with St. Louis merchants.

And that the Secretary of this Chamber deliver a conv of this resolution to the officers of the Nashare glad to know, too, that we can build the a copy of this resolution to the officers of the Nash-ville and Chattanooga Railroad, as a notification tion for the time to come?" Gov. The principal differerence of opinion was whether the Ordinance of ession should be merely repealed, or declared bsolutely null from the beginning.

The Department of the Southwest, Major Wynkoop, U.S. A., a special agent, dated at Fort Lamel, Kansas, March 5, 1866, and enclosing the treaty with the Arrapahoe and Cheyenne Indians, has been received at the Indian Bureau. The treaty is dated on Bluff Creek, Little Arkansas river, Kansas, March 1, 1866, and bears the signs of twelve chiefs. Among the number is the noterious George Bent, \Hoe-mah-ha-ket. This chief has long been a terror to the frontier, and the fact of his signing the treaty is an assurance of the future peace and safety of the cuter settlements. Major Wynkoop complains of the system of free trade carried on by irresponsi-

Mr. Monroe seems to have known that efforts were being made to keep him out of office, and also telegraphed the President yesterday that he had been regularly elected Mayor of New Orleans, and that he was loyal to the Union, and enthusiastically in favor of the reconstruction policy of rior to pay certain claims out of balance of any the President as any living man, and can qualify according to law. READ WHO SAYS SO.

From Rev. W. D. Seigfried, Pastor Twelfth Baptist Church, Philadelphia.

Gentlemen: I have recently heen laboring under the distressing effects of indigestion, accompanied by a prostration of the nervous system. Numerous remedies were recommended by friends, and some of them tested, but without relief. Your Hoofland's German Bitters were recommended by persons who had tried them, and whose favorable mention of these Bitters induced me to try them. I must confess that I had an aversion to Petent Medicines from the "thousand and one" quack "Bitters," whose only aim seems to be to palm off sweetened and drugged liquor upon the community in a sly way, and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicinal I fear, is to make many a confirmed drunkard.

Upon learning that yours was really a medicinal
preparation I took it with happy effect. Its action
not only upon the stomach, but upon the nervous
system, was prompt and gratifying. I feel that I
have derived great and permanent benefit from
the use of a few bottles. Very respectfully, yours,

W. D. SEIGFRIED,

No. 254 Shackamaxon Street.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Chris-tian Chronicle, Philadelphia. Although not disposed to favor or recommendatent Medicines in general, through distrust our ingredients and effects, I yet know of no suficient reason why a man may not testify to benefits he believes himself to have received fr benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend. Robert Shoemaker, Esq., for the re-

to my friend. Robert Shoemaker, Esq., for the removal of this prejudice by proper tests and for encouragement to try them when suffering from
great and long continued debility. The use of
three bottles of these Bitters at the beginning of
the present year, was followed by evident relief
and restoration to a degree of bodily and mental
vigor which I had not felt for six months before,
and had almost despaired of regaining. I therefore thank God and my friend for directing me to
the use of them.

of the recent revolt was still progressing. Mrs. Gordon, wife of George W. Gordon, who was arrested as the ringleader of the revolt, was examined on the 6th inst. The examination had lasted thirty days. The trial of Ramsey, Provost Marshal of Morant Bay, for atrocities committed in the discharge of the duties of his post, was proceedings by the civil magistrates. The proceedings were conducted in private. The accused had been admitted to bail. In the assize courts, thirty-seven of the prisoners charged with participation in the rebellion were on trial. All was quiet.

Our Relations with France.

New York, March 19.—The Tribane's Paris correspondent writes of an important fact not yet publicly known in Paris. Mr. Seward's answer to Mr. Drouyn Du L'Huys' dispatch of January, has arrived. Although the French Govornment has not yet pronounced an official opinion, the Cabinet is very much pleased with the contents. While reiterating and reinforcing all the United States Government had ever said on the Mexican question, he had happily conceived language to describe the position from which America would not budge an inch, in terms which France will probably make up its mind to concede, as not incompatible of the Caduarist, No. 25 North Six Phallack, Pha ducing any who suffer from dyspensia to give your bitters a trial (when it, I feel confident, will give them relief), it is at your service. Yours, trult, A. M. SPANGLER,

From the Rev. E. D. Fendall, assistant editor Christian Chroniele, Philadelphia.

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver.

Yours, traly, E. D. FENDALL, From Rev. D. Merrige, Pastor of the Passyuhk Baptist Church, Philadelphia.

From the many respectable recommendations given to Dr. Hoofland's German Bitters, I was induced to give them a trial. After using several bottles I found them to be a good remedy for debility, and a most excellent tonic for the stomach. D. MERRIGE.

From Rev. Wm. Smith, formerly Pastor of the Vincentown and Miltville (New Jersey) Baptist Churches, Philadelphia.

Having used in my family a number of bottles of your Hoofland's German Bitters, I have to say that I regard them as an excellent medicine, specially adapted to remove the diseases they are recommended for. They strengthen and invigerate the system when debilitated, and are useful in disorders of the liver, loss of appetite, &c. I have also recommended them to several of my friends, who have tried them, and found them greatly benficial in the restoration of health.

Yours, truly. WILLIAM SMITH,

D From the Rev. Thos. Winter, D. D., Pastor of Roxborough Baptist Church.

Dear Sir:—I feel it due to your excellent preparation. Hoofland's German bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very materially heachted; I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfally yours,

T. WINTER, Roxborough, Pa.

From Rev, J. S. Herman, of the German Reformed Church, Kutntown, Berks county, Pa.

Respected Sir:—I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Yours, with respect, J. S. HERMAN.
